Old & New Business:

Please remember, if you are using the dumpster at the Transfer Station, it is \$2.00 per bag to dump into the dumpster. This is to offset the monthly cost of having the dumpster and permitting fees to have the dumpster at the Transfer Station. The dumpster costs the Town approximately \$290/month rental plus \$890/year for the permit.

Met with the new curbside collection company Mellen & Son and discussed the curbside pickup. All trash must be bagged. Loose trash will cannot be collected. Trash in barrels must be bagged, and barrels should stay 45 gal or less, preferably with lids that are not attached. Larger barrels are too heavy to lift when filled.

Beginning in July new collection dates will be Mondays and Wednesdays.

Wednesday July 6th the entire town will be collected in one day, due to the holiday that week.

Beginning the week of July 11th, if your current pick up day was a Tuesday, you will now be collected on Monday. If your collection date was a Thursday, your new collection day will be Wednesday.

Again, this begins in JULY. We will be placing an add in the shopping guide as a reminder in June of the changes.

Weekly Update on Select Board activities:
