Weekly Update on Select Board activities:

Met with Public Works Dept

Met with ME Turnpike Authority about the turnpike spur and impact on area: Peter Mills & Debbie Black: talked about town growth, valuations, home sales in the area, roads between Limington and Portland, the proposed spur and where it will connect at Exit 45. The understanding is the Portland City Counsel voted against the spur due to the traffic, but the out-lying area sees a huge need for this to happen, and we think it will be beneficial to our area.

Worked on OTH issues: Furnace, chimney, the septic issues have been resolved and a huge thank you to everyone who has helped with that!

Met with residents

Conversations with MEPEPs regarding the retirement plan and the town entered into September 1, 2022. The town will have to back pay into the plan, and then be reimbursed by the IRS for the SSI payments made, and MEPEPs is supposed to be helping with that. Employees who joined the program will have the option of back paying their portion to Sept 1..

Met with fire Chief, cut some much needed POs for EMS equipment.
